February 10, 2000

The End of an Era

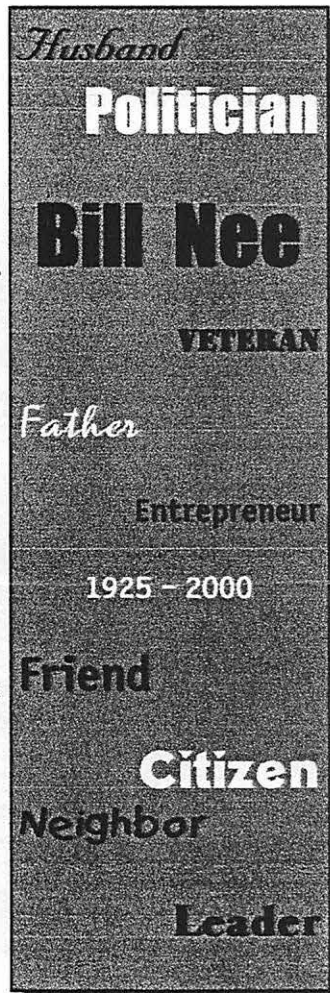

On January 28th Fridley lost one of its favorite sons with the passing of Bill Nee.

We will all miss Bill very much; our younger citizens should be told of his many contributions that shaped the city they call *home*.

Whether in service to his country or to his community, Bill, with Kay & their family, left his mark on his century.

Nowhere can this be better seen than here in Fridley, where Bill's leadership in government during the past 40 years helped shape our city into a thriving community which is home to world class businesses along side of family friendly neighborhoods.

Bill is irreplaceable; we hope only that our prayers and remembrances will give Kay and her family some strength and comfort as they grieve Bill's passing.

The Dawn of a New Century

Fridley enters a new century and the role of The Fridley Historical grows more valuable as we prepare for life in a new millenium.

Today, fewer Fridley citizens remember the early days of our community. FHS has a unique opportunity to serve a vital role in civic life.

Through exhibits, such as *1965 Fridley Tornado*, FHS seeks to preserve the experiences of the past and to pass them on to our younger citizens as they create Fridley's future.

We should consider honoring Bill Nee's memory by re-dedicating ourselves to community service. We should honor all the women & men during the past half century who gave of their time and vision to make our community a better place to live and work.

The Fridley Historical Society is an excellent place to make a brighter future by understanding the past.

FUNDRAISING PERILS

Casino Trips Dry Up

The casino trips, which have been run so brilliantly by **Gloria and Chuck Hayes**, are in serious jeopardy! These trips which have been the backbone of **FHS** fundraising now face stiff competition from a group running similar trips out of the Fridley Senior Center.

These gambling junkets have been the #1 source of income for our museum; their demise would threaten the entire health of the Fridley Historical Society.

In similar ominous news, *La Gondola*, the restaurant which has regularly catered **FHS's** annual **Lasagna Dinner**, has informed Gloria Hayes that they are closing their business, and as the result, will no longer be able to cater this event.

Further, the **Fridley Community Center**, the scheduled site of this year's **April 29th** dinner, has informed Gloria that changes in policies will necessitate our paying for the services of a janitor. The over-time rate of this item will cost **FHS** an additional \$175.

These additional expenses risk pushing this event into the red. The Board discussed several alternate caterers who might be able to supply the meal at a similar cost. However, it is highly unlikely that a new caterer will include serving the meal in their competitive bid.

Finally, **FHS** will again be in charge of the **Community Garage Sale**, which this year will be part of the City's **49er Day** celebrations. The sale will again be held at **Columbia Arena** which will also host a **Flea Market, Carnival, Street Dance, Bingo Parlour** as well as several food merchants, including a **Beer Garden**.

FHS could use volunteers to staff this important fund-raiser; please let a Board member know if you are interested in helping out.

Museum Renovations

As most of our members are aware, the State Legislature appropriated \$50,000 during its 1999 session to enable the Fridley Historical Society to make improvements to our museum.

Although any capital improvement made to our facility following the passage of this appropriation could be paid for from these funds, the Board has earmarked much of this money to complete improvements to all exterior windows and doors, including the wrapping of all exterior trim with aluminum to eliminate the need for future painting.

#1

We can no longer take fund-raising for granted. Membership Dues alone will not enable **FHS** to achieve its mission.

#2

FHS requires the assistance of its members to make events like the *Lasagna Dinner* profitable... even possible at all! Please contact an event coordinator to sign up to help.

#3

We need members' ideas to broaden our fund-raising programs. Please let the Board know of either an idea you have or of an idea that you have seen which might work well at **FHS**.

Mel Manley has worked very hard obtaining bids for this project; the leading bid for this project is from the same company that reroofed the Museum, *Home Owner Improvements*; their bid is approximately \$36,000.

Once this large project is complete, the Board will review whether it will seek reimbursement for recently completed projects which would qualify under the appropriation.

Members are encouraged to drop a thank-you note to our local legislators who worked so hard to obtain these funds for us:

Valentine's Day

Monday, February 14th at 6 pm. This month's meeting will be a **Pot Luck**; **Bonnie & Phil Novack** will be showing slides from their trip to **Europe**.

Fix up something *good*, grab your *sweetie*, and head on down to the **Museum** for a romantic European experience!

Thanks to **Pete Bonesteel** for donating carpeting for the Reference Room. This new facility is finally taking shape!

Jeanne Peters presented the Board with the newly created forms to be used when accepting donated items. A lively discussion was conducted regarding how to implement these new procedures.

In particular, there was debate on whether items currently on loan to the Museum can remain in the collections without becoming the permanent property of The Fridley Historical Society.

Although no permanent decision has been made regarding these borrowed items, members are still strongly urged to contact Jeanne about any items currently on loan to the Museum which a member does not intend to become the permanent property of FHS.

The February Membership meeting will be held on

LASAGNA DINNER ON SCHEDULE

As reported last month, the Fridley Historical Society's annual *LASAGNA DINNER* fund-raiser was in jeopardy as the result of *La Gondola's* decision to discontinue catering our event. Previous estimates indicated that using an alternate caterer would add substantial expense to this event seriously cutting into potential profits.

WHAT A DIFFERENCE A MONTH MAKES!

Thanks to the fast actions of our members, the *LASAGNA DINNER* is now on track to possibly be even more successful than in the past. The Board heard several proposals for new food partners in this event; most promoted a switch to spaghetti in order to retain the dinner's profitability. In the end, the Board unanimously agreed to select *BOB'S PRODUCE RANCH*. We all should thank Jerry Reitter for arranging the details.

Bob Schroer offered to cater a lasagna meal along with salad and bread without servers for a very reasonable price. The meal is rounded out with *McDONALD'S* orange drink and *KEMPS* ice cream. This means that **FHS** needs the cooperation of its members to make this event a complete success by offering to help set-up, serve dinner, & clean up.

The *LASAGNA DINNER* is scheduled for Saturday, April 29th. Doors will open at 4:30 with live Dixie land jazz courtesy of the *FRIDLEY CITY BAND*. Dinner is served at 5:00 pm with the *RAFFLE* to follow. The whole event is scheduled to wrap up by 7:30 pm, tickets are \$6.75 and are available at the **FRIDLEY SENIOR CENTER**.

Historical Sites

A New feature which will appear regularly in future newsletters will be

reviews of varying historical sites from around the region. We encourage our members to sample the wide array of historical resources locally available, both to support organizations similar to Fridley Historical Society as well as an opportunity to sample differing approaches to preservation and to uncover ideas which could be of potential value at our society.

Further, this is an open invitation to our members to submit their own suggestions for future subjects and even the opportunity to present a review of a site they may have found particularly significant.

This month we will be introducing our members to the collection of the *Hennepin History Museum*. The Hennepin County Historical Society's museum is located in Minneapolis at 2303 3rd Avenue South

HHM is located in the former *Christian Mansion* which was originally donated to the *MINNEAPOLIS INSTITUTE OF ART* by *CAROLYN MCKNIGHT CHRISTIAN* the daughter-in-law of the mansion's builder *GEORGE HENRY CHRISTIAN*. The Society purchased the mansion for their museum in 1957.

Mr. Christian, formerly of Alabama, was a successful manager & inventor with *Washburn-Crosby Flour*. In 1916 he commissioned *HEWITT & BROWN* to build a new home to be built in Minneapolis's prestigious Washburn-Fair Oaks neighborhood. Hewitt & Brown was the firm responsible for such significant local designs as *HENNEPIN AVENUE METHODIST CHURCH* and the former *GATEWAY PARK* located at

Nicollet Avenue and the river, on the previous site of City Hall.

They created for Christian a grand yet simple two-bedroom *English Renaissance Revival* home.

Unfortunately, the senior Christian died suddenly in 1918 prior to his home's completion.

The home was then completed by his son *GEORGE CHASE CHRISTIAN* who, sadly, also died in 1919 before the home was ready for occupancy. His wife would see the project completed and live there until 1957

The museum itself is a tremendous artifact in its own right. Exhibits are installed throughout all three levels of the mansion; unfortunately the facility is not handicap accessible at this time. Visitors have access to most of the mansion as they tour the museum's exhibits.

The exhibits are a delightful and charming collection of objects that

spans Minnesota history from life before statehood through Today.

Of special interest is a exhibit of vintage bicycles from 1930. Viewing these aluminum demons bring back memories of greasy hands and rolled-up cuffs. In Minnesota, nothing feels more like spring than waking your favorite *two-wheeler* from its hibernation, filling its tires

and racing off to join your friends; these beauties will remind you of those great days!

I especially enjoyed the black & white pictorial of Hennepin Avenue. Many of the pictures stirred childhood memories of trips to a downtown which seemed so *big* and *alive*. I highly recommend that you take in this exhibit before its leaves in August.

In response to members concerns, the Board reviewed its assessments procedures. Although donations will continue to be accepted on a drop-off basis, all donations will now be reviewed by a *Collections Committee*.

It will be the responsibility of this committee to review all submissions prior to formal acceptance.

Further, all items submitted on loan to FHS must receive the approval of the Board. Items will be accepted on loan for a limited period after which they would need to be retrieved or risk becoming the property of FHS.

Fridley Historical Society

CHAR FITZPATRICK appointed **Jeanne Peter**, **Doris Bergman**, and **Bonnie & Phil Novack** to serve as the *Collections Committee*.

Finally, those members that have items on loan to FHS must contact the *Collections Committee* immediately regarding the terms of their submissions. Those items not reviewed and accepted on loan will become the permanent property of the Museum.

IN THE OLD SUMMERTIME

FHS certainly hopes all its members and their families are enjoying our beautiful yet brief Minnesota summer, but the end is in sight and both autumn and the school year are rapidly approaching.

Still, don't give up this wonderful warm weather without a fight, and what better way to celebrate what's left of our lazy days than by taking the entire family to enjoy our nation's pastime, *Baseball!*

The Fridley Historical Society will be holding that summertime favorite, *August Fest*, at the Museum on **Monday, August 14th**. This year's *August Fest* will include a performance by the **Fridley City Band**.

So bring the family and neighbors and experience baseball the way it was meant to be watched, under blue skies and setting suns. Our *Boys of Summer* take the field at 7 pm with **Rick Arpi** and his **Quick Step Crew** taking on the local boys coached by **Jeremy Lach**. The game will take place on the *Hayes Diamond* immediately behind the Museum.

BUT DON'T WAIT UNTIL 7 PM TO ARRIVE! WHY?

Because! Because those talented folks in the **Fridley City Band** will be performing as part of pre-game festivities which begin at **6:30 pm**.

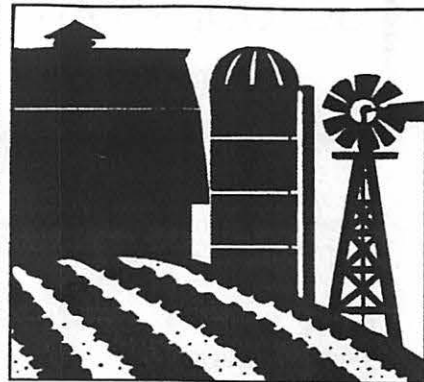

WAIT! THAT'S NOT ALL...YOU ALSO GET:

Post Game Snacks!!!! After the game, win or lose, join us inside the Museum for homemade cookies and punch. You certainly will not want to miss FHS's exhibit commemorating the *35th Anniversary of the 1965 Fridley Tornado*. The entire evening will be great fun that you will be sure to want to catch.

The sale included over 50 vendors and FHS made \$490 over the two days.

Thanks to **Char & John Fitzpatrick** for planning and managing this year's sale. Thanks also to **Chuck Hayes, Jerry Manley, & Annie White** for helping with getting folks checked in.

We learned a lot from this year's event, which should translate into an even bigger and better sale next year.

The shopping crowds were impressive, so let your friends & family know now that they should plan to sell their no longer needed items at next year's sale!

Holiday Boutique

At August's Board Meeting **Annie White** presented her idea for **FHS** to hold a holiday craft sale at the Museum this November.

The craft sale would be held in the lower level of the Museum and **FHS** would lease space both for dedicated crafters to set up booths as well as leasing table space for amateur crafters to display some wares.

Crafters would not need to be present to display items, this means **FHS** would need volunteers to mind the sale and collect cash.

Proposed dates of the sale are the week-end before Thanksgiving, **November 18-19**, and Thanksgiving week-end, **November 24-26**.

So if you know someone who might be interested in participating in the sale or you would like to volunteer, please call **Annie White** at 612.874.8603.

FHS ANNUAL MEETING

THE FRIDLEY HISTORICAL SOCIETY WILL HOLD ITS ANNUAL MEETING OF THE MEMBERSHIP ON MONDAY OCTOBER 9 AT THE MUSEUM.

THE MEETING WILL BE PRECEDED BY OUR TRADITIONAL **POT LUCK DINNER**. IT TOOK AN ACT OF THE MINNESOTA STATE LEGISLATURE TO PERMIT US TO INVITE YOU TO JOIN IN ON WHAT IS ALWAYS A GREAT TIME.

SO BRING A DISH, TREAT, OR SNACK AND COME AND ENJOY A FUN EVENING. EVEN IF YOUR REFRIGERATOR IS EMPTY, PLEASE COME ANYWAY.

DINNER BEGINS AT 6 PM.

THE GUEST OF HONOR OF THE EVENING WILL BE **ELIZABETH FRISCHMON**.

ELIZABETH IS A FIXTURE IN OUR COMMUNITY. ELIZABETH HAS BEEN ACTIVE IN NUMEROUS COUNTY AND CITY ORGANIZATIONS, INCLUDING **BLAINE & SPRING LAKE PARK SCHOOLS**, **ANOKA CAMERA CLUB** AS WELL BEING ACTIVE IN HER CHURCH.

ELIZABETH WAS INSTRUMENTAL IN ESTABLISHING **UNITY HOSPITAL** WHICH IS CELEBRATING ITS **35TH ANNIVERSARY** IN 2000.

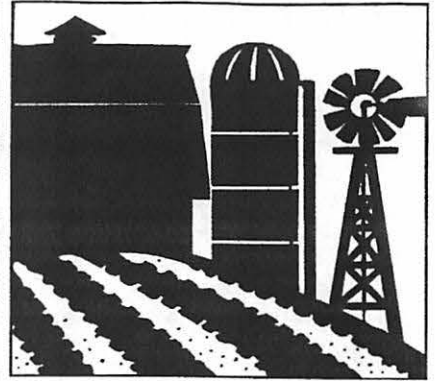

FINALLY, ELIZABETH IS AN ACCOMPLISHED PAINTER AND ON MONDAY NIGHT SHE WILL PRESENT **FHS** WITH A GIFT OF ONE OF HER PAINTINGS. PLEASE JOIN US FOR WHAT WILL BE VERY SPECIAL EVENING.

ELECTION OF DIRECTORS

On Monday evening the Members will be voting to fill three open seats on the Board.

In September, the *Nominating Committee* submitted three names to be placed on the ballot; these three nominees are:

- ☐ **Jerry Johnson**
- ☐ **Mel Manley**
- ☐ **Bonnie Novack**
